

“Adopt-A-Park/Trail Program”

Cedar Hill Parks & Recreation Department

Help keep our City parks clean, safe and beautiful for all to enjoy!

Adopt-A Park/Trail Program

The City of Cedar Hill Parks and Recreation Department encourages families, neighborhoods, civic groups, businesses and even individuals to get involved in the preservation and enhancement of the City of Cedar Hill Parks system. The parks system and its facilities are enjoyed by many residents and appreciated by all. It contributes to the quality of life enjoyed by residents and provides a foundation to foster ongoing economic and commercial development of the community. Continued vigilance is needed to maintain a high quality of Parks and Recreation Department facilities and programming that our residents have come to expect. By participating in the “Adopt-A-Park/Adopt-A-Trail Program”, volunteers can donate time and resources to give special care to a City park by helping maintain, beautify, enhance and keep our parks safe for all to enjoy.

Eligible Sites

The City of Cedar Hill parks system includes 2482.5 acres and 10.5 miles of trails throughout its 32 parks. Any park or trail recognized as a City of Cedar Hill park and/or recreational facility as detailed in the City of Cedar Hill parks master plan is eligible and worthy of an “Adopt-A-Park/Adopt-A-Trail” partner. If you need assistance in selecting a site, please contact the City of Cedar Hill Parks and Recreation Department and we’ll be happy to work with you to identify the perfect match!

How it Works

Once a park/trail has been selected, the group will commit through the Parks & Recreation Dept. to help maintain the adopted area for a minimum of one year. Within the one year, the group will perform maintenance a minimum of six times per adopted year, scheduled through the Parks & Recreation Department. Maintenance will include, but is not limited to such things as litter pick-up, debris removal, minor park/trail maintenance, etc. The Parks and Recreation Department will provide support for each group during the adopted period and

coordinate “onsite” staff support when needed. We will continue to provide regular maintenance to each groups adopted area but, with your help we can accomplish more.

Community Pride

Your commitment to the community is crucial in keeping our park system clean, safe and beautiful. As a special “Thank You”, the Cedar Hill Parks & Recreation Department will acknowledge your commitment and dedication with a sign in your adopted park or along your adopted trail and a certificate of appreciation upon fulfillment and completion of the adopted period.
