LEGAL NOTICE

Texas Commission on Environmental Quality

NOTICE OF APPLICATION AND PRELIMINARY DECISION FOR SMALL MUNICIPAL SEPARATE STORM SEWER SYSTEM (MS4) RENEWAL  
General Permit Authorization No. TXR040280

**APPLICATION AND PRELIMINARY DECISION.** City of Cedar Hill, 285 Uptown Boulevard #100, Cedar Hill, Texas 75104, has applied to the Texas Commission on Environmental Quality (TCEQ) under Texas Pollutant Discharge Elimination System (TPDES) Small MS4 General Permit No. TXR040000 for a renewal of authorization number TXR040280 to discharge stormwater to surface water in the state from the City of Cedar Hill MS4. The notice of intent (NOI) and stormwater management program (SWMP) were received by the TCEQ on July 23, 2019.

The MS4 is located in the area within the City of Cedar Hill limits that is located within the Dallas-Fort Worth-Arlington Urbanized Area in Dallas County, Texas. The discharge from the MS4 will eventually reach Joe Pool Lake in Segment No. 0838 of the Trinity River Basin.

A copy of the NOI, SWMP, general permit, and general permit fact sheet are available for viewing and copying at -Cedar Hill Government Center Development Services, 285 Uptown Boulevard #100, Cedar Hill, Texas 75104. The SWMP can also be viewed online at the City of Cedar Hill's website at <http://www.cedarhilltx.com/stormwater>. Substantial changes to the MS4's SWMP during the permit term will be posted on the same website.

The TCEQ Executive Director has completed the technical review of the application and SWMP. The SWMP, if approved, would establish additional terms and conditions, not included in the general permit, under which the MS4 must operate. The Executive Director has made the preliminary decision that the SWMP meets all statutory and regulatory requirements and made a preliminary decision to approve the small MS4's authorization under the TPDES Small (Phase II) MS4 General Permit No. TXR040000.

**PUBLIC COMMENT/PUBLIC MEETING.** You may submit public comments or request a public meeting about this application. The purpose of a public meeting is to provide the opportunity to submit written or oral comments or to ask questions about the application. The TCEQ will hold a public meeting if the Executive Director determines that there is a significant degree of public interest in the application or if requested by a local legislator. A public meeting is not a contested case hearing. If significant interest exists, the Executive Director will direct the applicant to publish a notice of the public meeting and hold the public meeting. The applicant must publish notice of a public meeting at least 30 days prior to the meeting in a newspaper of general circulation in the county where the MS4 is located. If the MS4 is located in more than one county, the applicant must publish notice in a newspaper of general circulation in the county containing the largest residential population.

All written public comments and public meeting requests must be submitted to the Office of the Chief Clerk, MC 105, TCEQ, P.O. Box 13087, Austin, Texas 78711-3087 or electronically at <https://www.tceq.texas.gov/goto/comment> within 30 days of the date of newspaper publication of this notice.

After the deadline for submitting public comments, the Executive Director will consider all timely comments and prepare a response to all relevant material, or significant public comments. The response to comments will be mailed to everyone who submitted public comments and to those persons who are on the mailing list for this application.

**MAILING LIST.** If you submit public comments, a request for a public meeting, or a reconsideration of the Executive Director's decision, you will be added to the mailing list for this specific application to receive future public notices mailed by the Office of the Chief Clerk. In addition, you may request to be placed on: (1) the permanent mailing list for a specific applicant name and permit number; or (2) the mailing list for a specific county. If you wish to be placed on the permanent or the county mailing list, clearly specify which list(s) and send your request to TCEQ Office of the Chief Clerk at the address above.
