## **2. Report on proposed Wind Generator Ordinance**

Leslie Price, City Planner, led a discussion amongst the Commission about a wind generator ordinance. She describe that staff has received several inquiries from citizens asking what the City's ordinances are relative to residential wind generators. The current zoning regulations do not list wind generators as an authorized use. She reported that several cities are in various stages of amending their ordinances to specifically regulate wind turbines or wind generators.

Ms. Price reviewed and the Commission discussed various aspects of wind generators including a Wind Power Map of Texas, showing that the Dallas area was located in an area that is marginal for cost effective wind generation and a survey of what area cities are doing regarding wind generators.

The Commission reviewed in detail the standards other cities have adopted and discussed their merits and applicability to Cedar Hill. After significant discussion the Commission asked Ms. Price to summarize tonight's discussion and present the summary to the Commission at a future meeting for further discussion.

## **3. Gas Well Committee Update**

Rod Tyler, Director of Planning, updated the Commission on the progress the Gas Well Committee has made. He reported that he expected the Committee to be complete in about two more meetings and that the direction the Committee is going would be to require gas well sites to be approved via the Conditional Use Permit process.

## **4. Recent Submittals**

Ms. Price reported that Burger King has submitted a Preliminary Plat for the southeast corner of U.S. Highway 67 and Belt Line Road. Additionally, 1<sup>st</sup> Baptist Church has submitted a site plan for a post and cable fence around the perimeter of the vacant lot on the northwest corner of Main Street and Cedar Street.

## **VI. Adjourn**

A motion was made, followed by a second for adjournment. The meeting adjourned at 8:16 p.m.
