**III. Approval of Minutes for November Meeting:**

Jacquelyn Moore made the first motion to approve minutes from May's meeting, with the proviso that a duplicate paragraph be taken out. Elaine Cook seconded the motion and the motion carried unanimously.

**IV. Receive Update on Premier Library, Signature Park, and Trail Project:**

- Library Director, Aranda Bell stated that soon after the groundbreaking block party, citizens will begin to see the land being cleared. Ms. Bell would like the board to feel empowered with information to share on the trees being removed. The city has been working with arborists, so that trees that can be kept on site will stay. Other trees will be repurposed within the new building's design.
- We will soon see a fence put up around the perimeter of the construction site. The city is installing a storyboard to this fence to showcase the journey to achieve this library, museum, and signature park.
