8. Other Items

As we continue to enhance our community, our growth comes with the accumulation of community items that needs to be stored. Therefore, we are considering the option of leasing a small storage space. As a result, the Community items can be stored in a single space rather than at each board members house/personal space.

We will continue to have our monthly meetings via Zoom until further notice. If you would like to join the zoom calls, please send an email to whpid3@gmail.com and include your name and email address. This will allow you to receive zoom meeting dial in information.
