Town Halls

Town Halls set earlier to attract more residents, share information and fun

Town Hall meetings with City Council members return this year with a more interesting format.

The City is planning three public meetings from March through May to keep residents informed and give them more access to our City Council members and City staff.

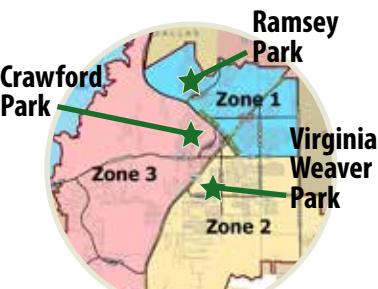

This year the meetings will start earlier and be held in area parks. City Manager Greg Porter said, "We're trying to attract more young families and active residents this year to get a good sampling of our community."

Meetings will start at 6 p.m. and conclude at 7:30 p.m. on March 31 at Ramsey Park, April 28 at Virginia Weaver Park and May 26 at Crawford Park. They are in different parts of the city to make them convenient for all residents.

This is the third consecutive year the City has held Town Hall meetings in neighborhoods.

Food

Hot dogs, chips and drinks will be served so residents can share a table

March 31 - Ramsey Park
April 28 - Virginia Weaver Park
May 26 - Crawford Park

with City Council members or City staffers. "We want to make it easier, break down the barriers to allow more one-on-one time with elected officials and staff members so we can get to know each other better," said Porter.

Fun

Organized activities for children of all ages will be provided by the Parks & Recreation Department during the meetings.

In case of inclement weather, watch the home page of the City website at cedarhilltx.com for cancellations.

These meetings are open to all residents and the format is informal and friendly. City Council members truly want to hear from residents who haven't been able to attend these meetings in the past.

Network

These meetings are a great way to network with neighbors, and create and strengthen neighborhood bonds.

Residents are encouraged to become engaged in their neighborhoods and their community. The City Council has made this a priority.

Follow the City of Cedar Hill on Facebook for the latest information.

These Neighborhood Town Hall meetings are coordinated by the Neighborhood Services Dept., including Stacye Graves and Michelle Ebanks

There will be representatives from all departments available at the Town Hall meetings.

Choose Healthy Cedar Hill

Commit to a healthier lifestyle by joining Choose Healthy Cedar Hill.

In January, the City of Cedar Hill hosted a Health & Wellness Fair at the Alan E. Sims Cedar Hill Recreation Center to kick off Choose Healthy Cedar Hill, the Mayor's Health & Wellness Initiative.

With the addition of partners, selected for their dedication on improving wellness within our community, the initiative was created to provide the community with resources, support programs and educational opportunities focused on creating a healthier lifestyle for the entire family.

Over 750 participants attended the fair, sponsored by Methodist Health Systems, and visited with chiropractors, nutritionists, fitness facilities and other health-based resources. Participants were encouraged to take a pledge on-site to join Choose Healthy Cedar Hill, and make a commitment to living healthier. The event also included Zumba demonstrations, Ujam, Camp Gladiator, It's a Sensory World, Rhythm Mixx and a cooking demonstration by Chef Joq.

Over 300 members of the community took the pledge that day.

We're making it easy for residents to choose a healthy lifestyle to match our natural open space, parks and trails.

Residents and visitors will see why every day is Earth Day in Cedar Hill at this year's Earth Fest, Cedar Hill's annual Earth & Arbor Day celebration.

This free, family-friendly event will be held on Monday, April 11 from 5:00 – 7:30 p.m. at the Cedar Hill Government Center, located at 285 Uptown Blvd.

Attendees will learn how to live a "Green Life" by participating in interactive activities, visiting environmentally conscious vendors, and learning how the community has incorporated environmentally-friendly practices.

A live performance by Vocal Trash will keep the crowd energized throughout the night. Free trees will also be available to Cedar Hill residents who provide proof of residency on a first come, first serve basis, so come early to enjoy all the festivities.

Last year, over 400 people learned how small changes can make a big impact on the environment. This year's event is going to be even bigger. For more information about Earth Day, check out cedarhilltx.com/earthfest.

Cedar Hill at Earth Day Texas

The best of Cedar Hill's premier staycation and vacation destinations will be spotlighted at Earth Day Texas at Fair Park in Dallas. This free family event will be held from 10 a.m. – 6 p.m. Friday, April 22 through Sunday, April 24. The City of Cedar Hill, Cedar Hill State Park and Dogwood Canyon Audubon Center will collaborate to highlight our community's natural beauty and commitment to sustainability.

Come show your support for your City and learn how to preserve the environment for future generations.

Mayor Rob Franke presents the Cholesterol Education Month proclamation to Parks & Recreation Director Larry Foos and Katy Bower, Recreation Center Manager at a recent City Council meeting.

Zika virus and West Nile virus are concerns this year

Dallas County Health & Human Services advises residents to be aware of guidelines related to the Zika virus.

Common symptoms of infection are headache, fever, conjunctivitis and joint pain. Only one in five infected persons develops symptoms. Health professionals have warned of suspected cases of Zika-infected women whose children are born with microcephaly. Evidence is currently circumstantial.

As of February 2016, no one has contracted the virus from a mosquito bite in the U.S., but travelers to other parts of the world are being warned to take precautions.

Avoiding mosquito bites is the best precaution for most residents. Since West Nile Virus is still an issue in this area, similar precautions work

to avoid contracting both viruses.

Use products that include DEET. Wear long, loose, light-colored clothing when outside. Drain or treat all standing water sources. Limit outdoor activities during dusk and dawn, when mosquitoes are most active.

The Dallas Morning News

has recognized Cedar Hill as one of the top 20 neighborhoods in the Dallas/Fort Worth metroplex.

Is our water safe?

The safety of our water supply is not something Cedar Hill residents should lose any sleep over.

When you get up, you can make coffee, shower and brush your teeth knowing that your water meets federal, state and local standards which are monitored with dozens of tests.

Public Works Operations Manager Adam Campbell said our water is tested by our staff 50 times a month. The Texas Commission on Environmental Quality tests for organic and inorganic contaminants on their own schedule and we do additional quarterly testing for over 20 types of contaminants.

Most of the water in our system is purchased from Dallas Water Utilities where it passes dozens of tests before it comes to us.

The City issues an annual Water Quality Report in June giving all the details.

Learn more about your water at cedarhilltx.com/1373/Water-Quality.

Election day is May 7

The election for City Council positions will be held on May 7, 2016. Affected places are: Mayor, currently held by Rob Franke, who has indicated he will run for another term; Place 3, currently held by Wallace Swayze, who has indicated he will run again and Place 5, held by Steve Mason who also plans to run again.

Food for Fines is a win/win for Library and Food Pantry

This January, the Zula B. Wylie Library's Food for Fines campaign brought in more than 750 food items for the Cedar Hill Food Pantry. The library staff loves the amnesty program because it gets many books and DVDs back into circulation and allows patrons to clear their accounts. Many brought extra food items.

Food pantry clients also use the library for computer access and classes, help with resumes and free Wi-Fi.

Help with federal income tax filing is as close as the Zula B. Wylie Library and it is free. This service to residents is provided by members of AARP on Tuesdays until April 12, from 11 a.m. to 3 p.m. Assistance is provided first come, first serve.

Be sure to bring your forms and all of the records you need to file your taxes.
