CEDAR  HILL

HIGHLIGHTS

Cedar Hill Library celebrates generations of history & service

The Cedar Hill Public Library celebrates its 70th anniversary in 2018!

Join us at special anniversary events to acknowledge 70 years of continued service by the Cedar Hill Public Library.

Established in a small building at Houston and Cedar Street in 1948, the library was part of the Dallas County Public Library system and had 229 borrowers by the end of its first year.

The library was renamed the Zula B. Wylie Public Library in honor and memory of Mrs. Wylie, who donated the land where the current library is located.

40,000 library card holders

Although the library has had several locations and librarians, the facility and staff members focus on providing service and resources to the community with over 40,000 registered borrowers.

Activities, events, and programs throughout this year will celebrate the 1940s – the decade the library began.

These include Throw Back Thursday Movies from the 40s; Stories of Old Cedar Hill during Family Fun Night; Vintage Make-It Events; Family Old School Games; Vintage Game Day for Teens; Cooking 40s Style; Vintage Fashion show; Swing Dance Lessons; and a very special 70th Anniversary Event on April 8, 2018.

You can find all library events on the library website at cedarhilllibrary.org.

For more information regarding these or other events hosted by the Zula B. Wylie Public Library, please email aranda.bell@cedarhilltx.com or call 972-291-7232 x1313.

The mission of the Zula B. Wylie Public Library is to be the community place that acts as the Door to Discovery connecting our culturally rich and diverse community to resources and services that promote lifelong learning, personal growth and development, and awareness of the arts.

If you haven't been there lately, visit the Zula B. Wylie Public Library soon and see how our library has become much more than a place for books.

Get a library card there and begin enjoying this community asset dedicated to enriching lives with, videos, special events, rental bikes and more.

Watch the 3D printer in action, visit the Children's Music Garden, take an adult education class or sign up to volunteer.

Neighborhood Spotlight:

Cresthaven Village

The Cresthaven Village neighborhood is located near the corner of Pleasant Run Road and Old Clark Road.

This neighborhood offers a retirement community in a beautiful and gated subdivision, centrally located in close proximity to shopping, businesses, and church activities.

The neighborhood has had success recently. Residents received the 2017 Premier Neighborhood Award from the City. Also, as an aid to the Fire Department, a red strobe light has been installed on each house which can be activated to help emergency vehicles locate the house.

This neighborhood is home to 91 families with more homes to be completed in 2018.

Many residents maintain a close working relationship with the City by volunteering on boards and the Citizens on Patrol program.

The neighborhood has a dedicated group of residents committed to increasing its relations with other various organizations and businesses throughout the City of Cedar Hill, making the community and their neighborhood premier.

Cresthaven Village residents are frequent volunteers for the Taste of Cedar Hill, New 2 You, and the Cedar Hill School Independent School District.

Under the capable leadership of organization President R.C. Clack, the Board of Directors, and many others, a bright future lies ahead for the distinguished Cresthaven Village neighborhood.

Winter in the metroplex can be warm one day and icy the next. Here are some tips to help prepare.

Keeping cold air out of your house not only feels better but it can save you money and reduce energy consumption.

To find air leaks in your home, hold a lit incense stick near doors and windows.

Install weather stripping around doors and windows.

Seal entry points for TV, phone and water lines with expanding foam insulation.

Before temperatures drop below freezing, winterize pipes. Insulate outdoor faucets, and turn off outdoor sprinklers. Keep indoor faucets dripping when the temperature drops below freezing.

Take precautions when you're out in the winter weather. Dress for the cold. Wear several layers of loose-fitting, lightweight, warm clothing, instead of one heavy layer of clothing. Make sure that outer garments are water-repellent.

Avoid the winter blues and cabin fever by staying active. Sign up for one or more classes or start a workout regimen at the Alan E. Sims Cedar Hill Recreation Center.

When temperatures drop near freezing, take extra care driving on overpasses and bridges - they often freeze more quickly than roads. Leave extra space between you and the vehicle in front of you when driving on wet streets.

Keep an emergency supply kit in your home and car. Visit Knowwhat2do.com for checklists of everything you need to keep your family warm and comfortable in a winter weather emergency.

Don't forget your pets. Bring them inside or make sure they have a shelter that is warm and dry with plenty of food and water.

Resolve to better yourself & your community

Kick off 2018 with these New Year's resolutions to achieve your personal goals and make a difference in your community:

Learn something new at the Zula B. Wylie Public Library. Your free library card is your ticket to discovery in 2018. Check out books, movies, and magazines; access online resources; and attend events and programs for your entire family at the Library. Visit cedarhilllibrary.org to learn more.

Get fit at the Alan E. Sims Cedar Hill Recreation Center. Memberships include access to our 3,500 square foot state-of-the-art fitness area with a three-lane walking/jogging track, strength and cardio equipment, and free weights. Members also enjoy two full-size gyms; onsite childcare; complimentary wallet lockers; and a game room with table tennis, foosball, air hockey, a pool table, and gaming systems. Stop by the Recreation Center to purchase a membership, or visit cedarhilltx.com/pard to learn more.

Explore the outdoors - Cedar Hill's unique natural landscape sets us apart from other cities in D-FW. You can enjoy it by playing in one of the City's 32 parks, hiking Cedar Hill State Park's 20 miles of trails, or watching birds at the Dogwood Canyon Audubon Center. Make your plans at visitcedarhilltx.com.

Go green - Learn how to reduce your impact on the environment in the new year at cedarhilltx.com/growinggreen. From recycling to tree planting, renewable energy to water conservation - you'll find essential tools for a more sustainable Cedar Hill.

Serve on a board or commission - Each year, the City Council makes appointments to various citizen boards and commissions that advise and make recommendations to the City Council. For more information or to apply to serve, visit cedarhilltx.com/boards or call the Office of the City Secretary at 972-291-5100 ext. 1011.

Water bills get a new, easy-to-understand, look

In January, utility customers in Cedar Hill will begin receiving utility bills in an improved format to make bills easier to read and understand. Some of the improvements to the main body of the bill are shown below.

Fathom, the City's utility billing contractor, has responded to your concerns. The new bill format incorporates your suggestions

for a more concise and understandable appearance, and we encourage customers with ideas for better service to continue sending them to us for evaluation and possible implementation at ubilling@cedarhilltx.com.
