

CEDAR HILL

HIGHLIGHTS

STREET CONSTRUCTION RAMPS UP FOR SUMMER

This summer, street crews and contractors are working hard to complete asphalt and concrete repairs and preventative maintenance throughout the city.

This fiscal year, the City will spend about \$1.5 million on street projects, which represents a significant increase from prior years. This increased investment in critical infrastructure is based in part on citizen survey results, which identified maintenance of streets and facilities as one of the top three community priorities for Cedar Hill. Learn more about street projects at cedarhilltx.com/bond, or view the map below.

PEOPLE

MAKE IT A COMMUNITY

Meredith Salazar, fourth grade student at Collegiate Prep Elementary, receives a proclamation from Council Member Jami McCain declaring May 10 Lupus Awareness Day.

Council Member Chris Parvin, along with his family, is recognized for his nine years of service on the City Council.

Assistant Police Chiefs Rodney Thompson and Steve Lafferty and Police Chief Steve Rhodes receive a proclamation designating the week of May 13-19 as National Police Week.

TAKE CONTROL OF YOUR UTILITY BILL IN 3 EASY STEPS

As summer heats up, demand for water increases. With the updated FATHOM™ U2You™ Customer Portal and smart phone app, users can monitor consumption, set up text or email alerts, and pay bills online. Start saving water and money with these three easy steps!

Step 1: Register or Log in to the Customer Portal

Visit cedarhill.u2you.gwfathom.com and log in to the FATHOM Customer Portal. Registration is simple and gives users access to the full array of tools, including usage history. Customers can still pay utility bills without registering or logging in by clicking 'Pay Now'.

Step 2: Get Consumption Data & Set Thresholds

After registering or logging in, the home screen shows water consumption data for the account. The data can be viewed by monthly, daily, or hourly use, and can be downloaded for further analysis.

Step 3: Get Email or Text Alerts About Your Usage

Choose thresholds for your water use to set a trigger for warnings and alerts. Once the threshold limit is set, you can request automatic messages by email or text when usage exceeds the threshold or the system detects a leak.

These tools are also available via a smart phone app for iPhone users through the Apple Store or for Android users through the Google Play store. If you downloaded the previous app, delete it and download FATHOM U2You Mobile.

LEAVE YOUR LEGACY AT VIRGINIA WEAVER PARK

This fall, construction will begin on a new creative playground at Virginia Weaver Park to replace the existing wooden structure. The new playground, made of 100% recycled plastic lumber, will be inclusive for children of all ages and abilities. Community members can leave

a lasting mark on the project by purchasing a personalized fence picket that will be displayed at the playground. Pickets are available for purchase for \$100 at cedarhilltx.com/playground.

HELP YOUR PETS KEEP THEIR COOL THIS SUMMER

Summer is a season for spending quality time with family, friends, and companion animals, but summer can also be a dangerous time for our furry friends. Follow these tips to help ensure pets have a safe and healthy summer.

Keep Cool and Hydrated

Pets can get dehydrated quickly, so give them plenty of fresh, clean water, and make sure animals have a shady place to rest or keep them indoors when the weather is extremely hot. Never leave animals alone in your parked vehicle; temperatures rise quickly and that could lead to fatal heat stroke.

Stay Safe on July 4

Every year on July 5, animal shelters around the country see an increase in the number of stray dogs and cats. Our companions escape from houses, yards, and even leashes when they are frightened by fireworks. Make sure your pet is microchipped or has collar and ID tags with current information, and have a current photograph to share should he or she become lost. If possible, keep your pet in a secure area indoors. If outdoors, make sure their outdoor area is secure.

Learn more about pet safety and access resources at cedarhilltx.com/animalshelter.

MONUMENT SIGNS IN PLACE

Construction is nearing completion on new entry feature and parks monument signs around the city. In addition to signage at 18 Cedar Hill parks, the new signs are placed at two primary entries to the city: at Belt Line Road, west of Duncanville Rd, and at the intersection of Mansfield Road and Lake Ridge Parkway. The solar-powered signs feature enhanced landscaping, lighting, and irrigation.

CALENDAR OF UPCOMING EVENTS

RESOURCES AVAILABLE FOR NEIGHBORHOOD GROUPS

In Cedar Hill, neighborhoods are the foundation of a premier city. Neighborhood Services provides programs and resources to improve neighborhood vitality and participation. Visit cedarhilltx.com/neighborhood for information and to access the resources below.

Postage & Printing

Registered neighborhood organizations are eligible for financial assistance with printing and postage for newsletters, event flyers, meeting notices, and more.

Neighborhood Matching Grant

Created to strengthen and improve neighborhood organizations, the grant provides matching funds up to \$500 for community engagement projects or \$2,500 for capital improvements. The grant requires a 20 percent match from the recipient.

Awards & Honors

The Premier Neighborhood Award, Good Samaritan, and Distinctive Character Awards recognize neighborhoods and community leaders for their achievements and service to the community. Visit cedarhilltx.com/neighborhood for more information, to view past honorees, or to nominate your neighbor.

TAKE ACTION FOR CLEAN AIR

June is Clean Air Action Month, and Cedar Hill recognizes Clean Air Action Day on June 22, 2018. Residents can improve the air quality of our city and region by incorporating clean air actions in their daily routines. Simple changes can have a big impact - try carpooling, biking or walking instead of driving, conserving water and electricity, and avoiding vehicle idling.

Cedar Hill is a proud partner with Air North Texas, a regional public awareness campaign that seeks to improve air quality in North Texas. Air North Texas offers all North Texans, including individuals, businesses and governments, resources related to improving air quality. Learn more at cedarhilltx.com/cleanair.
