

GET ENGAGED IN THE CEDAR HILL COMMUNITY

Cedar Hill is only as vibrant and engaging as the people and places that call the city home. As 2019 comes to a close and resolutions for the new year are top of mind, think about ways to become more engaged in the Cedar Hill community.

Five Ways to Get Involved

- Get to know your neighbors and get connected to your neighborhood organization. Use the resources at cedarhilltx.com/myneighborhood to find your neighborhood organization and contact information.
- Volunteer to serve at a local nonprofit organization. Cedar Hill is home to many different service organizations. You can find a few at cedarhilltx.com/community-organizations.
- Nominate your neighbor for the Good Samaritan Award, which honors community members who make a difference in the lives of others.
- Visit letstalkcedarhill.com, the City of Cedar Hill's online engagement platform, where you can get engaged, ask questions, and give feedback on the City projects and initiatives that shape our community and future.
- Subscribe to This Week in Cedar Hill to get text and email updates on community events each week at cedarhilltx.com/twicb.

BE PREPARED FOR WINTER WEATHER WITH THESE TIPS

Remember the four "Ps" to stay safe in the cold weather this winter:

- **People:** Keep your family warm and stay inside if possible. Dress in layers and wear hats, gloves, and a coat. Check on elderly family members and neighbors who may need extra blankets or a warm place to stay.
- **Pets:** Bring pets inside and move livestock and other animals to a sheltered area. Make sure pets have adequate food and water available.
- **Plants:** Bring potted plants inside, store in garage, or cover with cloth fabric to protect them from wind and frost.
- **Pipes:** Disconnect outdoor hoses, drain, and store in a protected area. Wrap exposed faucets and pipes, including those outside the house or in unheated crawl spaces, attics, garages, and other areas.

STAY SAFE THIS WINTER HOLIDAY SEASON

Winter holidays are a time for families and friends to get together; but that also means a greater risk for fire. Following a few simple tips will ensure a happy and fire-safe holiday season.

Holiday Decorating

- Be careful with holiday decorations. Choose decorations that are flame resistant or flame retardant.
- Keep lit candles away from decorations and other things that can burn. More than a third of home decoration fires are started by candles.
- Some lights are only for indoor or outdoor use, but not both. Be sure to read labels and use as directed.
- Replace any string of lights with worn or broken cords or loose bulb connections. Read manufacturer's instructions for number of light strands to connect.
- Use clips, not nails to hang lights so the cords do not get damaged.
- Keep decorations away from windows and doors.
- Before heading out or to bed, blow out lit candles and turn off all light strings and decorations.

Holiday Entertaining

- Test your smoke alarms and tell guests about your home fire escape plan.
- Keep children and pets away from lit candles.
- Keep matches and lighters up high in a locked cabinet.
- Stay in the kitchen when cooking on the stovetop.
- Ask smokers to smoke outside. Remind smokers to keep their smoking materials with them so young children do not touch them.
- Provide large, deep ash-trays for smokers. Wet cigarette butts with water before discarding.
