WHEREAS, the City Council of the City of Cedar Hill, Texas, further finds and determines that the owners of premises within the City of Cedar Hill have the responsibility to comply with, and to ensure that all residents of the premises comply with, the provisions of Chapter 18, Article II, Section 18-56 of the Code of Ordinances of the City of Cedar Hill, Texas; and

WHEREAS, the City Council of the City of Cedar Hill, Texas, further finds and determines that it is in the best interest of the public health, safety and welfare of the citizens of the City of

Cedar Hill to increase the returned check charges under the Water and Sewer Ordinance, set limitations on the payment of water and sewer bills by check after a check has been returned for insufficient funds, and to assess a water service reconnection fee against the owners of premises wherein water service or connections have been tampered with.
