Significant Investigation

The Cedar Hill Police Department received information from the National Center for Missing and Exploited Children (NCMEC) CyberTipline of a person utilizing a mobile application to communicate with another user about child sexual exploitation.

An investigation was opened which led to the identification of an account and IP address within the City of Cedar Hill and used by the offender in this communication.

Detectives interviewed the offender and obtained a search warrant for his cell phone. During a forensic examination of the phone contents, numerous video files depicting child pornography were discovered.

An arrest warrant for possession of child pornography was obtained on 10/27/2021, and the offender was taken into custody.

Around the Neighborhood

The Cedar Hill Police and Community Team (PACT) participated in the city Scare on the Square.

We handed out treats and other goodies to all the kids. For the third year in a row, the PACT unit won the Scare on the Square Best Decorated Trunk!
