

CEDAR
HILL

HIGHLIGHTS

CONSTRUCTION BEGINS ON RAMSEY PARK IMPROVEMENTS

Construction has begun on Ramsey Park! This neighborhood park, located at 1313 High Pointe Ln, is getting a facelift with a new playground, new exercise stations, tennis court resurfacing with pickleball lines, updated landscaping, and a new drinking fountain. We expect the project to be complete within a few months.

The Ramsey Park project is part of a number of park improvements funded through the voter-approved 2017 bond program. Find more information on projects at letstalkcedarhill.com.

CEDAR  HILL

PEOPLE

MAKE IT A COMMUNITY

Cedar Hill Resident Benny Sosa was recognized with the Good Samaritan Award by Council Member Gregory Glover

Air Force veteran and Cedar Hill resident Deirdre Pollack received the Women Veterans Day proclamation from Council Member Daniel Haydin.

Resident Nancy Durant was honored by Mayor Pro Tem Alan Sims as Cedar Hill's Mrs. Juneteenth at the Best Southwest's annual Juneteenth Celebration.

SHARE YOUR CEDAR HILL PRIDE WITH NEW FLAG PROGRAM

A new Community Pride Program launched in June. The City's Communications and Community Engagement Manager, Michelle Ebanks, recently took a trip to Copper Mountain, Colorado and took the opportunity to proudly fly the Cedar Hill flag from atop the Copper Mountain sign that sits at a base elevation of 9,712 feet (compared to Cedar Hill at 880 feet). It literally took her breath away!

Want to take one of our traveling flags on your next adventure? They're available for checkout, email michelle.ebanks@cedarhilltx.com for details.

RISE UP FOR PARKS & RECREATION MONTH IN JULY

There's no better way to celebrate Park and Recreation Month than by highlighting the people who faithfully serve their communities all year long. Join us this July as "We Rise Up for Parks and Recreation!" Follow Cedar Hill Parks and Recreation on Facebook or Instagram to join the celebration.

WHERE OPPORTUNITIES GROW NATURALLY

RECYCLE RIGHT: KNOW WHAT GOES IN YOUR RECYCLING BIN

On average, about 25 percent of the waste intended to be recycled in the United States is too contaminated for recycling. Follow the tips below to be sure the contents of your bin steer clear of the landfill.

Most Americans use a paper product every day, and paper makes up about 29 percent of the municipal waste stream. Brown paper bags, office paper, newspaper, magazines, and cardboard can be recycled in your bin. Paper and cardboard must be dry and free of any food.

Plastics come in a variety of shapes, colors, and chemical formulations. Plastic bottles, jars, and jugs are all recyclable. Remember to recycle only clean plastics - one partially empty soda bottle in a bale of plastic can spoil the whole load! Plastic grocery sacks are not recyclable in your bin. Many grocery stores collected used plastic bags for recycling.

Not all glass can be recycled. The following should not be placed in your recycling bin: glass contaminated with stones, dirt, or food waste; ceramics; heat-resistant glass, such as Pyrex; broken glass; mirror or window glass; light bulbs.

An aluminum can is 100 percent recyclable and is able to return to the shelf as a new can as quickly as 60 days after it is put into a recycling bin. Aluminum foil, tin, and steel cans may also be recycled in your bin. Take care to be sure any food debris has been removed.

Learn more about trash and recycling service in Cedar Hill and what can you in your recycling bin at cedarhilltx.com/trash.
